DR. PRASHANT KUMAR NAG

Curriculum Vitæ

I am an Assistant Professor and researcher specializing in Artificial Intelligence, Deep Learning, Natural Language Processing, and Affective Computing. My research focuses on emotion detection, cognitive appraisal, explainable AI, and healthcare text analytics, with an emphasis on developing intelligent, interpretable, and human-centered AI systems. I have experience in designing deep learning models for emotion recognition, conducting interdisciplinary research, and publishing in reputed journals and conferences. Alongside research, I am actively engaged in teaching, curriculum development, student mentoring, and academic administration. I am committed to advancing rigorous, reproducible, and impactful AI research while fostering innovation, collaboration, and excellence in higher education.

RESEARCH INTERESTS

Core — **Affective Computing**

Computational emotion modeling, appraisal-based emotion reasoning, and human–AI affective interaction

Core — **Text-based Emotion Recognition**

Sentence-, span-, and context-level models for emotion and emotion-cause detection

Methods — **Explainable AI for NLP**

Attention-based interpretability, attribution techniques, and rule-based cognitive explanations for deep NLP models

EDUCATION

Jul. 2019 | Jun. 2026 — **Doctor of Philosophy (Ph.D.) in Computer Applications**
Maulana Azad National Institute of Technology, Bhopal, M.P. India

Thesis: *Design of Efficient Artificial Intelligent Deep Learning Models for Human Emotion Detection*

Specialization: *Artificial Intelligence, Deep Learning, Natural Language Processing and Affective Computing*

Supervisor: Dr. Amit Bhagat

Co-supervisor: Dr. R. Vishnu Priya

Jul. 2012 | Jul. 2015 — **Master of Computer Applications (MCA)**
National Institute of Technology, Tiruchirappalli, T. N. India

Thesis: *QR Code–Based Automated Attendance System for Classrooms*

Jul. 2008 | Aug. 2011 — **Bachelor of Computer Applications (BCA)**
Devi Ahilya Vishwavidyalaya, Indore, M.P. India

TEACHING EXPERIENCE (4+ YEARS)

Dec. 2025 | Present

Assistant Professor - Computer Applications
Galgotias College of Engineering & Technology, Greater Noida — U.P. India

Postgraduate teaching in MCA program, including lectures, practical sessions, assessments, project supervision, and examination duties. Serving as Departmental Training & Placement Coordinator and CPDD Coordinator, coordinating placement activities, student training, industry interactions, skill development programs, internships, academic administration, student mentoring, and departmental quality initiatives.

Courses Taught
- Web Technology (2026)
- FCET (2026)

Aug. 2016 | Apr. 2019

Faculty - Computer Science
Institute for Excellence in Higher Education, Bhopal — M.P. India

*Undergraduate Computer Science teaching across multiple academic sessions, delivering lectures, supervised practicals, conducting evaluations, and mentoring students. Completed a total of **1,948** lectures between **2016 and 2019** as part of continuous teaching engagement.*

Courses Taught
- Intro. to Programming (2016; 2017; 2018)
- Linux Programming (2016; 2017;2018)
- Computer Networks (2018;2019)

Apr. 2016 | Jun. 2016

Computer Faculty - Computer Applications
Unique Girls College Parasia, Chhindwara — M.P. India

Undergraduate teaching in Computer Applications, including practical supervision, evaluations, and student academic support.

Courses Taught
- Intro. to Programming (2016)
- Computer Fundamentals (2016)
- Internet and Web Design (2016)

Nov. 2015 | Apr. 2016

Assistant Professor - Computer Science
Sony College of Mgmt. and Technology, Chhindwara — M.P. India

Undergraduate and postgraduate teaching in Computer Science; responsible for lectures, practical sessions, assessments, and examination duties.

Courses Taught
- Intro. to Programming (2016)
- Data Structures (2016)
- Linux Programming (2016)

ACADEMIC SERVICE & LEADERSHIP

ACADEMIC ADMINISTRATION & COORDINATION

Jul. 2026 | Present — **Research & Development Cell / Conference** — *Co-Coordinator*
Department of Computer Applications, GCET — Greater Noida, UP
Assisting in the coordination of departmental research activities, conferences, workshops, and academic events.

Jul. 2026 | Present — **Intellectual Property Rights (IPR) Cell** — *Coordinator*
Department of Computer Applications, GCET — Greater Noida, UP
Coordinating departmental activities related to intellectual property rights, innovation, and IP awareness.

Jul. 2026 | Present — **Education, Employability & Skill Development** — *Coordinator*
Department of Computer Applications, GCET — Greater Noida, UP
Coordinating departmental initiatives related to student employability, skill development, and career readiness.

May. 2026 | Present — **Cyber Security, Cloud & Emerging Technologies Module** — *Module Coordinator*
Department of Computer Applications, GCET — Greater Noida, UP
Leading academic coordination of curriculum delivery, faculty collaboration, laboratories, projects, industry engagement, OBE implementation, and accreditation support for the assigned module.

Jan. 2026 | Present

Institute Training & Placement Committee — *Member*

Galgotias College of Engineering & Technology, Greater Noida, UP

Serving as a member of the institute-level Training & Placement Committee, supporting institutional placement planning, industry engagement, and coordination of placement-related initiatives.

Dec. 2025 | Present

Major/Minor Project Coordinator — *Project Coordinator*

Department of Computer Applications, GCET, Greater Noida, UP

Coordinating project allocation, progress monitoring, evaluation scheduling, and project documentation for MCA students.

Dec. 2025 | Present

Department Academic Timetable Management — *Time Table Co-Coordinator*

Department of Computer Applications, GCET, Greater Noida, UP

Assisting semester-wise timetable planning, faculty workload allocation, laboratory scheduling, and academic timetable management.

Dec. 2025 | Present

Department Training & Placement Coordinator — *Coordinator*

Department of Computer Applications, GCET, Greater Noida, UP

Coordinating departmental training, placement, career planning, internships, industry interaction, recruiter engagement, placement data management, and student employability initiatives.

ACADEMIC TECHNOLOGY & DIGITAL INNOVATION

Jan. 2026 | Jun. 2026

Digital Course Website Development — *Developer & Course Instructor*

Department of Computer Applications, GCET, Greater Noida, UP

Designed, developed, and maintained dedicated course websites to support postgraduate teaching through structured learning materials, laboratory manuals, assignments, project guidance, announcements, and self-paced learning resources, enhancing student engagement and digital learning.

Dec. 2018

TechFest Promotional Teaser (IEHE) — *Media Designer*

ICT Cell, IEHE, Bhopal, MP

Produced the inaugural promotional video for the departmental TechFest to support outreach and student engagement.

Jan. 2017 | Dec. 2019

Moodle-Based Online Assignment Submission System — *Coordinator*

ICT Cell, IEHE, Bhopal, MP

Configured Moodle assignments and MCQ modules, prepared student databases, and trained faculty and ICT staff. Adopted by multiple academic departments for digital assessment.

Jan. 2017 | Dec. 2019

Google Sites-Based Student Workflow System — *Coordinator*

ICT Cell, IEHE, Bhopal, MP

Designed and implemented Google Sites workflows for event registration, communication, schedules, and administrative coordination.

QUALITY ASSURANCE & ACCREDITATION

Dec. 2025 | Present

NBA Accreditation Activities – Criterion 2 — *Co-Coordinator*

Department of Computer Applications, GCET, Greater Noida, UP

Supporting NBA Criterion 2 documentation, data compilation, compliance reporting, and continuous quality improvement initiatives.

CONFERENCE & PROFESSIONAL SERVICE

Dec. 2025 — *Meta Reviewer*

Students' Conference on Electrical, Electronics and Computer Sciences (SCEECS 2025)
MANIT Student Branch
Served as Meta Reviewer for the conference technical review process.

Dec. 2024 — *Reviewer*

1st International Conference on Artificial Intelligence for Innovations in Healthcare Industries (ICAIIHI)
ICAIIHI Technical Program Committee
Reviewed technical paper submissions for the international conference.

Dec. 2024 — *Reviewer*

4th IEEE International Conference on Signal Processing, Informatics, Communication and Energy Systems (IEEE SPICES 2024)
IIIT Kottayam
Reviewed technical paper submissions for the international conference.

Dec. 2024 — *Reviewer*

7th International Conference on Recent Trends in Image Processing & Pattern Recognition (RTIP2R 2024)
IIIT Bhopal
Reviewed technical paper submissions for the international conference.

Dec. 2024 — *Meta Reviewer*

Students' Conference on Electrical, Electronics and Computer Sciences (SCEECS 2024)
MANIT Student Branch
Served as Meta Reviewer for the conference technical review process.

Nov. 2024 | Nov. 2024 — *Session Coordinator*

6th International Conference on Communication and Intelligent Systems (ICCIS 2024)
Soft Computing Research Society — Bhopal, MP
Coordinated Technical Session TS04 – Emerging Techniques during the international conference.

Jan. 2017 | Dec. 2019 — *Coordinator*

TechFest (Computer Forum)
Department of Computer Science, IEHE — Bhopal, MP
Coordinated planning, student teams, publicity, logistics, and execution of departmental technical events.

CURRICULUM & GOVERNANCE

Jan. 2017 | Dec. 2019 — *Member*

Board of Studies – Computer Science
Department of Computer Science, IEHE — Bhopal, MP
Contributed to curriculum review, syllabus restructuring, and academic policy discussions aligned with emerging trends in computer science and industry requirements.
